

Hey all, most of you know, but we wanted to send a quick note out updating you on our happenings.

It has been two years since our last furlough. Time has flown by, and we have so enjoyed our ministry here in Ethiopia, but it is time for our furlough. So we fly out tomorrow (June 8) and head to Germany for 10 days. We are excited for this time with Marshal's family and a little rest before we jump into traveling and visiting you all. We will arrive in Springfield, MO on the 18th of June, and would love your prayers for safe travels and a smooth transition.

We look forward to seeing you all this summer and catching up on everything that's happened in your lives. Below I will list our travel schedule so you can know when we will be in your area. Please feel free to email if you'd like to get together!

We have had many ask what we need and how they can help as we settle in, and thankfully we have such great family and friends a lot has been provided, but we will be traveling a lot and having to purchase items and would love some help in the way of gift cards. Anything from fast food restaurants, or Walmart/Target to Amazon would be such a huge help and a blessing. Also we would love your continued prayers as we travel to visit churches and appreciate a lot of grace for our boys and family as we readjust to life in the states.

Thank you for all your love and support, and again we look forward to sharing with you what our ministry has been for the last two years and what plans we have for the future.

Love
Marshal & Rachel Giles
