

OUR PURPOSE

Our desire as the Women's Ministry Council is to nurture the hearts of women to know God's Word and follow faithfully after Christ, demonstrating authenticity and love, and serving as we are uniquely made.

We seek to fulfill this goal by:

-Teaching in God's Word

(2 Timothy 2:20-21)

-Fellowshipping within the

Body of Christ

(Ephesians 4:1-6)

-Reaching out to the

community and the world

(Matthew 4:1-6)

Our Ministry Council is dedicated to meet the needs of women at Grace Community Church and the community. If you have questions or feedback regarding the programs offered, then please feel free to contact us!

BIBLE STUDIES

Do you have a desire to experience genuine community? Our desire is to encourage women toward personal and spiritual maturity through the teaching and counsel from God's Word. A small group setting provides opportunities to engage in a deep and personal way.

For more information, pick up a brochure at the Connection Desk or visit the website www.gcc-online.org/bible-studies.

ENCOURAGING HEARTS

Our mentoring ministry encourages and provides direction for anyone who wants to be involved in a discipleship relationship, either as a mentor or as someone being mentored!

Life can be difficult and lonely, and during those times we need someone to show us step-by-step how to live well before God, holding our hand, giving encouragement. This could be an older woman teaching a younger woman or a peer-to-peer mentoring relationship.

OUTREACH

We want to connect our women to the Newton Community, campus churches and beyond. We provide ways for the women of GCC to do that.

Check the program on Sundays or online for opportunities to become involved in outreach. If you have a passion for an area of service, please share it with us!

LEGACY: Women Impacting Our World

This ministry is for ALL women...20's to 120! Single? Married? Kids? This is where you can connect with other women of any age.

Our purpose is to provide a gathering where intentional intergenerational fellowship combined with spiritual challenge and encouragement can take place.
