

What's True in the Bible?

God's glory is on display...

through our unity. Romans 15:5

through our purpose. Romans 15:6

through our hospitality. Romans 15:7

What's Real in my life?

- How am I promoting unity with the people around me?
- How have I been a part of disunity in my relationships? What did I learn from that experience?
- When have I felt like I truly belonged? Why?
- What habits do I practice to create belonging for others?

What's Next?

- Introduce yourself to someone sitting near you, get their name, and pray for them at least twice this week.
- Make plans to do lunch with someone from our church family next Sunday.
