**What's True** in the Bible?

***Why You Can't Attach Religious Styles to Faith in Christ***

**1. Jesus wants to be your one and only, not your one of many.**

Luke 5:33-35

**2. The invitation is to follow Jesus, not follow traditions.**

Luke 5:36-38 / Mark 7:1-8

**3. God wants to change your perspective, not your preference.**

Luke 5:39 / 1 Corinthians 9:19-23

**What's Real** in my life?

- What traditions are really helpful for me and/or my family to enjoy God?
- When I invite others to follow Jesus, do I make my way of doing church or my cultural style a requirement for genuine faith? How so?
- What's the difference between "worldliness" and "culture"?

**What's Next?**

- When it comes to difference in traditions, don't look for fault, look for fruit.
