What's True in the Bible?

We are truly blessed:

1. When we _____, for we will be _____.

Matthew 5:4

2. In our _____, for we will _____ the earth.

Matthew 5:5

What's Real in my life?

- When is the last time I really mourned over my sin? Why?
- How has God comforted me in my mourning?
- What comfort have I received that uniquely helps me to comfort others?
- Why is restraint and self-control so valuable for the blessed life?

What's Next?

- When we are not mourning over our sin, it may be because we are not examining ourselves in a healthy way. Pray and ask God to teach you how to mourn properly.
