What's Real in my life?

- How do I react when I am wronged?
- What is my idea of justice, and how do I seek justice?
- What do others see in my actions?
- How do I view the little or big pictures in life?

What's Next?

- Ask God to:
 - Help you to be able to start seeing the bigger picture.
 - Show you how the little pictures become a kingdom building piece of the big picture.
