What's Real in my life?

- Am I looking at anything that is causing me to sin?
- What are the current desires of my heart? Are any of those drawing me away from God?

What's Next?

- Spend this week in prayer, asking God to reveal what it is you spend your time looking at. Is it causing you to sin? What have you not removed it from your life?
- Have any of your desires become idols in your life?
